CHAPTER 482

July 14, 1954
[H. R. 9340]

AN ACT

To provide for the conveyance of the federally owned lands which are situated within Camp Blanding Military Reservation, Florida, to the Armory Board, State of Florida, in order to consolidate ownership and perpetuate the availability of Camp Blanding for military training and use.

Camp Blanding,
Fla.
Conveyance.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Secretary of the Army is authorized and directed to convey, upon the terms and conditions and for the consideration set forth in section 2 of this Act, to the Armory Board, State of Florida (hereinafter referred to as the "board"), all of the right, title, and interest of the United States in and to certain land (hereinafter referred to as "Federal land") situated within Camp Blanding Military Reservation, Florida, and more particularly described as follows:

All of sections 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, and 36, township 5 south, range 23 east; all of sections 19 and 30, township 5 south, range 24 east; all that part of section 31, township 5 south, range 24 east, lying north of Florida State Highway Numbered 550; all that part of section 6, township 6 south, range 24 east, lying north of Florida State Highway Numbered 550; all of sections 1 to 12, inclusive, except the west half of the northwest quarter and the southeast quarter of the northwest quarter of section 2, and except the south half of the northeast quarter of section 10; section 17, except that part lying east of Florida State Highway Numbered 551 and south of Florida State Highway Numbered 48; all of sections 18 and 19; that part of section 20 lying west of Florida State Highway Numbered 551, except a triangular parcel in section 20 lying west of the right-of-way of Florida State Highway Numbered 551, south and east of the right-of-way of the north fork of Florida State Highway Numbered 48, and north and east of the right-of-way of the south fork of said Florida State Highway Numbered 48; and sections 28 to 33, inclusive, township 6 south, range 23 east; all that part of sections 16, 17, and 18, township 6 south, range 24 east, lying south of Florida State Highway Numbered 48, except the west half of the southwest quarter of aforesaid section 18; all of sections 19, 20, 21, 29, 30, 31, 32, 33, and section 28 except the northeast

quarter of the southeast quarter thereof, township 6 south, range 24 east; and sections 4, 5, 6, 7, 8, 18, and those portions of sections 9, 16, 17, 19, 20, and 30, township 7 south, range 24 east lying west and northwest of Florida State Highway Numbered 68; excepting from all the above-described area all lands within the rights-of-way of State roads traversing the area described; all being in Clay County, Florida, and containing forty thousand one hundred forty-five and fifty-one one-hundredths acres, more or less.

Reserving unto the United States, however, all uranium, thorium, and all other materials determined pursuant to section 5 (b) (1) of the Atomic Energy Act of 1946 (60 Stat. 761) to be peculiarly essential to the production of fissionable material, contained, in whatever concentration, in deposits in the lands above described, and further reserving unto the United States through its authorized agents or representatives the right at any time to enter upon the lands above described and to prospect for, mine and remove said materials before referred to, making full compensation for any damage or injury occasioned thereby, provided, however, such lands may be used, and any rights otherwise acquired by said Board pursuant to any conveyance of said described lands as herein provided for, as if no reservation of such materials had been made; except that, when such use results in the extraction of such material from the land in quantities which may not be transferred or delivered without a license under the Atomic Energy Act of 1946, as it now exists or may hereafter be amended, such material shall be the property of the United States Atomic Energy Commission and said Commission may require delivery of such material to it by any possessor thereof after such material has been separated as such from the ores in which it was contained, and also provided that if the said Commission requires the delivery of such material to it, it shall pay to the person mining or extracting the same, or to such other person as the said Commission determines to be entitled thereto, such sums, including profits, as the Commission deems fair and reasonable for the discovery, mining, development, production, extraction and other services performed with respect to such material prior to such delivery, but such payment shall not include any amount on account of the value of such material before removed from its place of deposit in nature, and further provided that if and in the event the said Commission does not require delivery of such material to it, the reservation hereby made shall be of no force or effect.

SEC. 2. The conveyance of the Federal land provided for in the first section shall be made upon the terms and conditions and for the consideration set forth as follows:

(1) In the event of the existence of any national emergency declared by proclamation of the President or by action of the Congress, the use of the Federal land, or any part thereof, shall, upon the request of the Secretary of the Army to the board, revert to the United States for the full period of such national emergency without cost to the United States. Upon the expiration of such national emergency such use of the Federal land shall cease in favor of the board, and the United States shall be under no obligation to restore the premises or to compensate the State for any waste or any damage to the property arising out of the use and occupancy thereof by the United States.

(2) In consideration of the conveyance of the Federal land, the board, acting for the State of Florida, shall agree to use for military purposes only, and not to sell, convey, or otherwise dispose of all or any part of certain land or permanent improvements thereon (hereinafter referred to as "State land") comprising a part of the State-owned portion of Camp Blanding Military Reservation to any party
